As the Audit office is located in the same building there is no need to raise the imprest. The ~~cost~~ expenditure incurred can be recouped as often as possible - also There is no difficulty in his office for obtaining funds for large payments immediately it is required

7) There is no need therefore to raise the imprest which will mean delay in recompense and may thus give rise to other irregularities or make possible

OFFICE OF
the Director of Food Supplies
in Mysore, Bangalore,
Date 8th December 1944.

To

The Secretary to the Government of Mysore,
Development Department (Supplies),
Bangalore.

Sir,

Subject: Amalgamation of the cash and imprest of the offices of the Director of Food Supplies and the Additional Director of Food Supplies.

In continuation of my letter No. H.C.2534/44-45 dated 23rd Novr. 1944 stating, inter alia, that the establishments of the above two offices have been amalgamated and treated as one unit, I have the honour to request that sanction of Government may be kindly obtained for the amalgamation of the cash of the two offices. In the interests of expeditious despatch of work and to facilitate accounting, I have, in anticipation of sanction of Government, given effect to this arrangement and the action taken by me in this behalf may be kindly approved.

2. The imprest of Rs.150/- now allowed to this office is found to be quite inadequate as heavy expenditure on telegrams and other contingent charges have to be incurred almost daily and it has become necessary to recoup the amount very frequently. In order to facilitate work, I request that sanction of Government may be kindly obtained to enhance the imprest of the combined office to Rs.300/-

I have the honour to be,
Sir,
Your most obedient servant,

8.12.44
Director of Food Supplies.
